DESCRIPTION

The College of Saint Elizabeth works with several local school districts to provide an on-site MA Program in Educational Leadership that leads to NJ Principal / Supervisor certification for future school leaders. The overall goal of the program is to build a leadership infrastructure to include a pool of candidates for potential administrative openings within the districts. The MA in Educational Leadership takes two years to complete. It is a 36 credit program implemented on-site in the partnering districts during the school year and summer semesters.
